

```
1  #include<stdio.h>
2  int main()
3  {
4      int num,s;
5      printf("enter the number:");
6      scanf("%d",&num);
7      s=num/10;
8      printf("%d",s);
9      return 0;
10 }
11
```
