```
1  #include<stdio.h>
2  int main()
3  {
4   int num,s;
5   printf("enter the number:");
6   scanf("%d",&num);
7   s=num/10;
8   printf("%d",s);
9   return 0;
10  }
11
```
